Electric Usage Summary

This month your average daily electric use was
21.0 kWh

This month your usage stayed the same compared to same time last year.

News For You

To keep cool in the summer, you'll likely use, on average, about 25% more energy to run fans and air conditioners. Your bill will increase, simply because more energy is being used. See how we can help you use less energy and lower your bill at Eversource.com/summer-bill.

Contact Information

Emergency: 800-662-7764
www.eversource.com
Pay by Phone: 888-729-7764
Customer Service: 800-662-7764

For information or questions regarding your account, please contact Eversource at 1-800-662-7764. If after contacting us, your billing dispute is still unresolved, you may contact the New Hampshire Department of Energy at 800-852-3793.

Important Messages About Your Account

Please note: Payment processes differ for each bank. Therefore, it may take longer than the date that appears on your bill for the funds to be deducted from your bank account.

The stranded cost recovery charge is composed of a rate reduction bond charge owned by PSNH Funding LLC 3 as filed with the NHPUC and a stranded cost recovery amount approved by the NHPUC.

IDENTITY PROTECTION

On November 1, 2008, Eversource implemented additional identity protection measures to safeguard our customers' confidential account information. These measures will help us to protect your confidential personal information and ensure only authorized access to your account. For current customers requesting account information or access, Customer Service Representatives will ask several simple questions to verify the caller's identity and their right to access the requested account information. We are committed to providing the excellent customer service you deserve and the timely information you need to manage your energy use.
